Pardon Our Progress

In record time, the Lord has favored the Peak City Full Gospel Baptist Church with a place to worship and conduct ministry. Although many has seen the tremendous progress from the acquisition of the property until today, we still have a way to go. So pardon our progress as we complete renovations to customize our new home to best meet our needs. The property located at 1701 Center Street in Apex NC will never be the same. To God be all the glory for the things that He has done.
